

ENVIRONMENTAL POLICY

FAUN Trackway Ltd is committed to protect the environment from the adverse impacts of its business operations.

We are committed to managing our business operations in order to ensure that:

- Environmental impacts arising from past, present and future operations are effectively managed;
- We continue to comply with environmental legislation, regulations and other requirements as subscribed to by the company;
- We prevent pollution of the environment;
- There is continual improvement in environmental performance.

In order to achieve these aims we have implemented and maintain an Environmental Management System certificated to BS EN ISO 14001:2015.

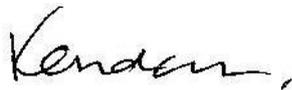

This policy provides a framework to establish, communicate and review environmental objectives, and targets in relation to:

- Waste Management
- Energy and Resource Conservation
- Pollution Control
- Statutory Nuisance

This policy is evaluated for continued suitability at the annual Management Review.

Copies of this policy are available to all interested parties. It is communicated publicly and to all persons, suppliers and contractors working for and on behalf of FAUN Trackway Ltd.
